

# My Project Activities

Think about what you have learned in your project and write down your experiences. Tell us about the new knowledge you have gained. Be sure to include new skills you have learned. Use numbers to show how much you did, how many items you made, how much money you earned or saved, etc. Include any community service activities you have done related to your project.

## Things I Learned and Did in my Project

*Example:      Made a first-aid kit  
                  Performed a safety skit five times  
                  Rode my bicycle in a rodeo – won a safety award  
                  Made a rocket with my dad – shot it safely*
