Planning My 4-H Project

What would you like to do in your 4-H project this year? You might want to go fishing with your club or learn how to launch rockets. Perhaps you would like to clean up your neighborhood or learn to make pizza. The possibilities are endless!

This page is designed for you to record what you want to do and learn this year. The things you plan to do and learn are called *goals*. Goals can be completed alone or with your 4-H friends.

Look in your project book for ideas, talk to your 4-H leader and ask your friends. You may think of new goals during the year. If so, just add them to your plan along with the month you think you will do them.
